"CHANGE MOBILITY, NOT CLIMATE"

The competition is open to all photography enthusiasts worldwide. Entrants are requested to submit their photo on CODATU’s website (codatu.org) before the 1st of November 2015 midnight.

Vote for your favorite picture on social networks:
Facebook.com/CODATU - @CODATU_ORG
In December, Paris will host the 21st Annual Conference of Parties (COP21) on climate change, with the objective of reaching, for the first time, a universal agreement that must focus on mitigation (limiting global warming to below 2°C) and societies’ adaption to existing climates changes.

Sustainable mobility will be one of the main focus of the negotiations and we would like to enhance the impact of urban transport in fighting climate change through images that challenge us to re-imagine mobility in the most original and engaging way!

Hence we propose a photo competition on:

“CHANGE MOBILITY, NOT CLIMATE”

GENERAL RULES
The competition is open to all adults and amateur photographers.

SUBMISSION
All participants will have to submit their photo(s) on the CODATU’s website (www.codatu.org) by filling the form and accepting the rules and conditions, before the 1st of November 2015, midnight (French time). Images must be submitted in a JPEG or TIFF format only, with a minimum resolution of 30x40 cm at 300 DPI (3543 x 4724 pixels), and a maximum size of 20Mo.

VOTE
Photos will be selected following the vote of a panel of international experts and the vote of the public on the social networks (Facebook and Twitter). Online votes will be registered from 2nd to 10th November 2015, midnight (French time).

PRIZES AND EXHIBITIONS
The winner will:
- Be honored by receiving a framed print photo with the logos of CODATU and other partners;
- Be displayed in the transport networks of several cities in the world, and on the home page of CODATU website, during the two weeks of COP21 (30th November to 15th December 2015);
- Win 600€ in cash prizes;
- Win a free registration to the CODATU XVII conference to be held in New Delhi in 2017.

Photos that will be classified on the second and third place will be also exhibited in the transport networks of cities worldwide and will win respectively 300€ and 150€ in cash prizes.

A selection of the best photos will then travel to various countries to be displayed at conferences, festivals, galleries and other urban transport related events such as the Sustainable Transport Award (STA) organised every January by the Institute for Transportation and Development Policy (ITDP) in Washington DC during the Transport Research Board (TRB) event gathering more than 12,000 people.

The detailed rules are available on the CODATU website and must be accepted by all submitters.
